## NOTICE TO FILE CORRECTED APPLICATION PAPERS

### *Notice of Allowance Mailed*

This application has been accorded an Allowance Date and is being prepared for issuance. The application, however, is incomplete for the reasons below.

Applicant is given 60 days from the mail date of this Notice within which to correct the informalities indicated below. If the informality pertains to the abstract, specification (including claims) or drawings, the informality must be corrected with an amendment in compliance with 37 CFR 1.121 (or, if the application is a reissue application, 37 CFR 1.173). Such an amendment may be filed after payment of the issue fee if limited to correction of informalities noted herein. See Waiver of 37 CFR 1.312 for Documents Required by the Office of Patent Publication, 1280 Off. Gaz. Patent Office 918 (March 23, 2004). In addition, if the informality is not corrected until after payment of the issue fee, for purposes of 35 U.S.C. 154(b)(1)(iv), "all outstanding requirements" will be considered to have been satisfied when the informality has been corrected. A failure to reply will result in the application being ABANDONED. **This period for reply is NOT extendable under 37 CFR 1.136(a).**

In the office action mailed 8/13/07, the examiner denied entry of the Rule 312 amendment filed 6/27/07. The corrections of the citations of Figures 5A and 5B, which had been required in the office action of 6/20/07, were not included in the paper.

It is also noted that the amendments in the 6/27/07 paper were directed to the original specification of 6/1/01. The substitute specification of 1/20/04 is the current specification.

In the substitute specification of 1/20/04, in which the pages are numbered 20-35, Figures 5A and/or 5B are cited at: page 27 line 1; page 35 lines 15, 19, 20, 21 and 22. Figures 5A and 5B do not exist in the drawings of 3/6/07. A single view of a Figure 5 is present. Correction is required. Amendments to the citations of Figure 3 may also be made in the response.

*A copy of this notice MUST be returned with the reply. Please address response to
